Description

STI Swing Machine 17-inch - Rotary Floor Machine

Perfect for the restoration and maintenance of marble, tile, terrazzo, stone, and concrete. Can also be used for standard grinding, polishing, & polishing compound application.

Double-speed rotary floor swing machines can perform heavy-duty scrubbing and stripping at the standard 175 RPM speed. And, with the flip of the conveniently located handle switch, get professional high-gloss buffing results at 300 RPM. You'll double your productivity potential with these two-speed floor machines.

Use with the [MG2 Diamond System](#) for marble and terrazzo restoration.

Features

- Planetary steel helical-cut gear drive for superior reliability
