- Exceptionally great for maintaining polished concrete
- Diamond-impregnated natural hair pad - for more aggressive polishing and maintenance
- Pad life is in excess of 20,000 SF (2,000 M²)
- Can be run wet or dry
- For use on concrete floors only!

Description

SPIN-1 Concrete Polishing Pads

The SPIN-1 Pad System polishes concrete faster and better than any other diamond buffing pad on the market and does the work in a fraction of the time when compared to large polishing machines.

Excellent for polish restoration and also buffing any guard products.

- Exceptionally great for maintaining polished concrete
- Diamond-impregnated natural hair pad - for more aggressive polishing and maintenance
- Use on high-speed burnishers
- Pad life is in excess of 20,000 SF (2,000 M²)
- Can be run wet or dry
- For use on concrete floors only!

Note: Cost of the SPIN-1 pads system is less than \$.005/SF (\$.05/m²).

SPIN-1 sizes:

- Available in 21" & 27" sizes to fit most high-speed burnishers
- Also, available in any diameter between 7 to 27 inches
