

It's a System. Not a Machine.

**ABSOLUTELY
NO CHEMICALS
NEEDED**

ONE PASS... AND COATINGS ARE HISTORY!

**BLACK MASTIC, THIN-SET MORTAR, AND EPOXY ARE INSTANTLY REMOVED
USING THE PREP/MASTER® GRINDER AND STI DIAMOND TOOLS.**

*Productive Removal
with Smooth Profile*

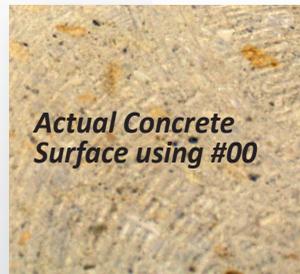

#0

The **#0 Prep Tool** completely removes coatings and leaves a smooth flooring surface suitable for polishing to a high gloss shine.

(Also comes in hard bond and soft bond variations.)

*Super Fast Removal
with Rough Profile*

#00

The **#00 Prep Tool** works extremely fast and produces a very aggressive removal of coatings which leaves the flooring surface with a rough profile.

(One set of #00 Prep Tools consists of 50% right-hand & 50% left-hand tools.)
