

Streamer S320E

2,150 SF/Hr. (200 M²)

STREAMER

Premium Shotblasters

As a welcome addition to the IMPACTS Streamer series of equipment, the S320 is a powerhouse in a small package.

At 12.5 inches and 15HP, the S320 Streamer will outblast comparably-sized and priced blasting machines. The most ideal application for this model is the aggressive removal of coatings on large surface preparation projects.

Specifications
