STREAMER

Premium Shotblasters

The S320RD Ride-on propane model is perfect for powerful shot blasting with the added convenience of a seat & steering wheel! At 12.6 inches and 24HP, the S320RD Streamer will out blast comparably-sized and priced blasting machines.

Special Features of the Ride-on Model

- Contains centrifugal clutch to engage blast wheel control
- Hydraulic pump allows machine to travel forward and reverse, and to raise and lower ride height for transport or for blasting
- On-board Dustcom 3324
- All-in-one "lifting lock" for the dust bin handling
- Electro-pneumatic compressor regulations
