

#### **PREMIUM, COLOR PACKS**

Smith's WSC Waterborne Solid Color Packs save inventory space by allowing the contractor to tint the coating as necessary while avoiding the left over factory tinted coatings.

#### **NON-REGULATED FREIGHT**

Smith's WSC can be shipped via air freight without any HAZMAT fees, in the case of last minute needs.

#### **U.V. LIGHT STABLE**

Smith's WSC resist chalking & fading.

#### **GOOD OPACITY**

Smith's WSC Color Packs were developed to attain very good hide / opacity in the following Smith:

**Epoxy** FAST-CURE, WATERBORNE EPOXY PRIMER/SEALER  
**FW3B**  
POLYURETHANE SEALER/PRIMER  
**Poly-SEAL**  
POLYURETHANE  
**Poly-WB**  
Gloss / Low Sheen

*\*See individual product data sheets for each coating for mixing information and pigment loads which varies by coating product.*
